ATHLETIC SUCCESSES AT ROXBURY COMMUNITY COLLEGE

HON. JOE MOAKLEY

OF MASSACHUSETTS
IN THE HOUSE OF REPRESENTATIVES
Monday, June 5, 1978

• Mr. MOAKLEY, Mr. Speaker: The college experience involved more than just classroom activities, it also entails peer relations, group activities and athletic events.

Roxbury Community College, which has just completed its fifth academic year, is deeply involved in this total educational experience.

One phase of this effort has been in athletics and witnessed by the success of their basketball teams, their work seems to be effective.

It's men's team, which had a record of 19-3, was the Massachusetts State champion and included All-American player Howard West. The women's team, also Massachusetts State champion, had a record of 20-2 and led by All-American player Shebra Legrant, went to the national tournament in Kansas.

Coaches Alfreda Harris and Willie Booker and their players have much to be proud of for they have shown that a proper mix of academics and athletics can bring success not only to themselves but to the entire college community. •
